

SAME DAY ONLINE MENTAL CAPACITY ASSESSMENTS

As experienced, qualified, registered social workers, we provide same day online mental capacity assessments to help people make their own decisions and get the support they need fast, as well as to safeguard vulnerable individuals.

We understand how important timely decisions are for individuals, their families, and the agencies supporting them. That's why we offer same day online mental capacity assessments for Lasting Power of Attorney applications and Testamentary Capacity.

Our same day online assessments are person-centred and therapeutic in nature, to put you at your ease and support your decision-making. They will help you take every practical step to reach the best decision, without delay.

- Accredited Assessors
- Proven Assessment Model
- Evidence Based
- Person Centred
- Same Day Service for:
 - Lasting Power of Attorney (Single)
 - COP3 Deputyship for Finances
 - Testamentary Capacity

We offer same day appointments via video link for the following mental capacity assessments:

- Testamentary Capacity mental capacity assessments for individuals making or altering a will, to evidence that you have the mental capacity to make and understand the significance of your decisions.
- Lasting Power of Attorney (Single) – single mental capacity assessments for either Finance or Health Lasting Power of Attorney applications, to evidence that you have the mental capacity to arrange a Lasting Power of Attorney, for support to manage either your finances or health.

GET IN TOUCH TO SEE HOW WE CAN HELP

0333 987 5118 nellie@nelliesupports.com Or visit nelliesupports.com • COP3 Deputyship for Finances – mental capacity assessments enabling a deputy to make financial decisions on a person's behalf, authorised by the Court of Protection. As experienced COP3 assessors, we understand how important it is to act quickly to safeguard an individual at risk.

Rest assured, all our same day online mental capacity assessments are compliant with the Mental Capacity Act (2005) and are based on the Social Care Institute for Excellence guidelines for best practice Mental Capacity Assessments, so you're in expert hands.
